EDITOR COMMENTS

MATT BLACKETT

Good setup. Great tone from single EMG humbucker. Looks a tad utilitarian, but kicks ass.

BARRY CLEVELAND

Responds beautifully to playing dynamics. Cleans up well when volume is reduced.

DARRIN FOX

One pickup, one volume—no problem! More tones than many feature-engorged contemporaries.

MICHAEL MOLEND

A simple, deadly weapon. Sounds great. The more you play it, the more you dig it.

ART THOMPSON

Superb rock tones spoken here. Hot EMG a great match for this light, fast-playing guitar.
